As we reached our 10 year anniversary, the Hong Kong Juvenile Diabetes Association (HKJDA) has continued to develop and grow, with over 370 members benefiting from our services. Over the year we held 21 member events with a total of 685 participants, provided financial subsidies to 42 families, and instigated a diabetes conference which was well-received by our members, the public, and medical professionals. We would like to thank everyone for their support in making this past year such a success, with a record number of activities!

None of our achievements would be possible without the hard work of our staff and the tireless voluntary work of our Council and Committee members. To all of them, a particular vote of thanks.

不經不覺，香港兒童糖尿協會已經成立 10 週年。過去 10 年，本會一直努力為糖尿病患的兒童及青少年會員提供各項服務，受惠會員人數累積超過 370 名。於 2010/11 年度本會舉辦了 21 個會員活動，參與人次高達 685 人。本會更首次成功舉辦糖尿病研討會，讓本會的會員、專業醫療人員及公眾，加深對糖尿病的認識和獲得最新的糖尿病資訊。除此之外，本會於去年為 42 個經濟上有需要的會員家庭提供醫療用品資助，以解燃眉之急。藉此機會，本會衷心感謝社會各界對本會的支持，讓我們創此佳績。

本會過去一年的成就，實在有賴各位委員，籌委會成員以及本會員工的努力，他們無私的貢獻及寶貴的意見，讓本會不斷進步，幫助更多有需要的人士。最後，我要特別多謝他們，希望他們可以繼續支持本會，讓本會再創佳績。

Family events

家庭為重 — 加添家庭凝聚力

With HKJDA's core value of being family-centered, we introduced a wide range of family activities for our members to participate in.

Activities included an Ocean Park family fun day, a family barbecue party, and Ocean Explorer Trip, to name a few, as well as our ever-popular and successful annual Christmas party, which was jointly organised with the Department of Paediatrics and Adolescent Medicine and the Dietetics Department at Queen Mary Hospital. Our family activities are not only fun for all involved, but also promote sharing and information dissemination. With parents being the primary caregivers of their children with diabetes, much can be learnt and emotional support gained through sharing experiences and advice.

本會一直重視「家庭為重」的核心價值，於是我們在過去一年舉辦了多個不同類型的親子活動，讓會員享受家庭樂。活動包括海洋公園家庭同樂、家庭聚會 BBQ、海洋小幹探等，還有一年一度最受歡迎的活動—就是與瑪麗醫院聯合舉辦的的聖誕聯歡會。

由於家長在照顧糖尿病兒童擔當非常重要的角色，所以本會的親子活動不但讓參與的家庭共享天倫，更重要的是希望讓家長籍著活動，分享經驗、互相交流資訊、互相學習及扶持。

Children's programmes

兒童為本 — 由兒童及青少年的角度出發

Our special programmes for kids engage our members in fun and interactive activities while incorporating elements of diabetes education.

生動有趣的教學活動，可以讓小朋友學習更有興趣，所以本會特別為會員提供既有趣味又互動的糖尿教育活動，讓他們透過活動加深對糖尿病的認識。

在此，本會特別感謝高盛財政繼續慷慨贊助「營養及烹飪繽紛樂」及「體驗室內攀石」兩個活動。除此之外，我們亦在 Treasure

We were very grateful to Goldman Sachs who continued to sponsor our popular nutrition and cooking workshop and the wall-climbing fun day. We also held a kids camp at Treasure Island where our younger members experienced memorable adventures with other children with diabetes through team-building activities. The value of these activities cannot be over-estimated, as they build friendships, support groups, and ongoing positive emotional and physical wellbeing.

Island 舉行了兒童營，讓我們的年輕會員經歷了一個難忘的體驗，透過不同的團隊活動，與病患朋輩建立珍貴的友誼、培養正確的人生觀。

Parents' activities 家長增值與交流

Parents play the vital role in supporting their children with diabetes to grow up healthily and successfully, and they are inevitably met with challenges along the way. This year, thanks to the support of the American Women's Association, we were able to start a series of parent support group meetings where parents of our members gathered together to share their experiences. Apart from gaining a better understanding of their children's developmental needs and improving communication skills, we also hope that they will continue to build their own effective support networks.

家長的支持及鼓勵，對糖尿病兒童的身心健康成長是非常重要的，但成長過程中往往都是充滿困難和挑戰。去年，本會十分榮幸得到 American Women's Association 的

慷慨支持，讓本會可以舉辦一系列的「家長互助小組」工作坊，為會員家長提供平台，聚集一起、互相交流與分享經驗。本會非常希望這些工作坊能讓家長可以了解兒童發展的需要，及增強與他們溝通的技巧，並且與與會家長建立支援網絡，互相扶持。

Education and knowledge exchange 研討會及專題講座

In line with our objective to organise educational programmes for children and adolescents with diabetes, their family members, and the public, we held a very successful HKJDA Diabetes Conference, with the goal of empowering our target audience with the most recent knowledge and advancements about diabetes. We were delighted to have been able to invite distinguished and prominent speakers from Hong Kong and overseas who are at the forefront of diabetic research to share their knowledge with us at the conference.

為糖尿病患兒童、青少年及其家庭以及公眾舉辦各項教育及聯誼活動是本會其中一項目標。本會在上個年度，年首次成功舉辦「糖尿病研討會」，邀得多位知名教授、醫生和糖

尿病學者進行演講，部份講者更是專程由海外前來，為公眾帶來最新的糖尿病訊息。本會籍此機會，衷心感謝無名氏的捐款，讓研討會可以順利舉行。本會期望未來可繼續舉辦更多同類型的研討會，提高各界對糖尿病的認識。

We are very thankful for the generous anonymous donation that made this event possible and hope that this will be the first of many future diabetes conferences.

In addition to the conference, we also had other notable health talks related to carbohydrate counting (important when calculating insulin doses), a pain management workshop led by Playright's Play in Hospital programme to help newly diagnosed children get used to doing multiple injections every day, and a healthy cooking demonstration.

除了研討會，本會還舉辦了多個專題講座，當中包括碳水化合物交換法—讓會員學習計算使用胰島素的份量、親子遊戲工作坊—由智樂兒童遊樂協會帶領，讓新確診的會員適應生活上的轉變；以及簡介健康烹調及廚藝示範。

Fundraising activities 籌款活動

Fundraising is essential for the continuing services that HKJDA provides to our members, and we are very grateful to our generous donors and supporters. Our fundraising efforts during the year were successful, and through our Spring Fling – Carousel fundraising gala and our, now eagerly awaited, annual designer handbag auction, we were able to raise urgently needed funds to help sustain the work of HKJDA.

為本會籌募經費，本會分別舉辦了兩項大型籌款活動——「春日愛心樂悠悠 – 歌劇之夜」和慈善手袋拍賣。兩項活動均得到各方好友的鼎力支持，成功籌得滿意善款，我們在此要衷心感謝每位捐贈者和支持者，讓本會可以繼續為社會上有需要的糖尿病兒童服務。

Community development 社區推廣

In our continuing efforts to raise community awareness of diabetes, on the night of World Diabetes Day, 14 November, the World Diabetes Day message and our logo were lit up in blue on Hopewell Centre. We were proud to take our place among many famous buildings all over the world, lighting up in blue to mark the day which is organised by the United Nations and the International Diabetes Federation, of which we are a member. We are very grateful to Hopewell Holdings for supporting us. We were also featured on the AfterSchool TVB show where one of our medical advisors, Dr Huen shared her expertise on diabetes.

本會一直致力提升社會對糖尿病的認識和喚起香港市民對糖尿病的關注。於 11 月 14 日世界糖尿病日當晚，聯合國及國際糖尿病聯盟發動世界各地於當地地標大廈亮起徽號的藍色，希望喚醒各地對糖尿病的關注。本會十分高興獲得合和實業有限公司支持，響應是次壯舉，將世界糖尿病日的訊息和標誌以藍光在合和中心的牆上亮起。

此外，本會的醫療顧問— 禰桂芬醫生被邀請在無綫電視翡翠台「放學 ICU — 健康新角度」接受訪問，分享有關糖尿病的知識。

Communication and information dissemination 聯繫及傳訊

With the HKJDA magazine, we aim to continue to update and inform our members, donors, supporters, and other subscribers through contributions from various medical professionals and volunteers, along with personal articles from members and fellow diabetics.

Our website is regularly updated with information about upcoming events and current information and we have established a Facebook page in order to enhance our connection with members and to encourage more communication among members.

本會繼續透過定期季刊，把醫療專業人士、義工、會員及病友的分享帶給我們的會員。本會的網頁亦不斷被更新，所有關於即將舉辦的活動和其他資訊都可在網頁找到。此外，本會還開啓了新的 Facebook 網頁，好讓我們加強本會和會員之間的資訊來往以及鼓勵會員互相溝通。

Auditor's Report

核數報告

INDEPENDENT HONORARY AUDITOR'S REPORT
TO THE MEMBERS OF HONG KONG JUVENILE DIABETES ASSOCIATION ("THE ASSOCIATION")
(a company limited by guarantee and not having a share capital)

We have audited the financial statements of the Association set out on pages 3 to 11, which comprise the balance sheet as at 31st March, 2011, and the statement of comprehensive income, statement of changes in accumulated funds and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Councillors' responsibility for the financial statements

The councillors of the Association are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the councillors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance. We do not assume responsibility towards or accept liability to any other person for the contents of this report. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the councillors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Association's affairs as at 31st March, 2011 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.
